For those of you who don't know, **The Expendables** are a reggae-metal rock band from Santa Cruz, California that has been turning heads since 1997.

Made up of four longtime friends, Geoff Weers (Guitars and Vocals), Adam Patterson (Drums and Vocals), Raul Bianchi (Lead Guitar) and Ryan DeMars (Bass), the band has toured with groups such as Eek-A-Mouse, Fishbone, Pennywise, Pepper, 311, and Slightly Stoopid, who signed them to Stoopid Records in 2007. Since the release of their latest album *Prove It*, the band has been gearing up for the Vans 2011 Warped Tour. But before they hit the road, I had a chance to sit down with them and ask some questions from their fans.
