

Vans Warped Tour 2011 – Salt Lake City – The expendables interview

Jeff ‘Chuck’ Norris met with Adam from The Expendables in Salt Lake City Utah. Part of the Van’s Warped Tour 2011.

Adam is from Santa Cruz [California](#), the drummer from The Expendables and a pretty cool guy. He is pretty tall, wide and a bad ass too. We even got him to smile and look like a thug at the same time.

We love Indie artists! The Expendables is no exception to the list of great bands.
